### Letter of recommendation

Hereby Sulzer Chemtech Company confirms that "Vneshtorgservis" is our reliable and long-term partner. "Vneshtorgservis OOO." has many years of experience in the supply of equipment for the oil and gas industry. Specialists of "Vneshtorgservis" gained a reputation of highly qualified and professional staff. In their professional work the employees of the company consistently keep to the generally accepted principles of business partnership and mutual agreements. Taking into account our long-term experience in the oil and gas industry equipment, we recommend "Vneshtorgservis" as a reliable and professional partner.

Best regards

Chief Sales Manager of Sulzer Chemtech in Russia and CIS (*signature*)

L. Z. Shenderov
